

**“Independence, Dignity And Individuality Are The Cornerstone For Building A Meaningful Life”**

**Our Mission** is to empower and serve individuals in need of specialized supports by providing innovative services that improve their ability to live fulfilling lives in the community.

**Our Core Value** is to care and value all individuals and their uniqueness. It emphasizes the whole person physical, emotional, social and spiritual, as well as focuses on the key helping relationships between staff and the people we serve. We believe independence, dignity and individuality are the cornerstone for building a meaningful life.

**Philosophy:** Being an intellectually disabled person does not infringe upon Consumer human rights, which Trinity Human Services valued at large for all our Consumers.

The basic process of promoting growth involves doing for the person, doing with the person, and having the person do for themselves; therefore, helps to avoid dependency

**Our goal** Being an intellectually disabled person does not infringe upon Consumer human rights, which Trinity Human Services valued at large for all our Consumers.
